These cookies make for handy Christmas gifts for **staff, clients, customers, friends and family**. They are also handy treats to have around during the Christmas period for unexpected visitors.

We are also delighted to be a strong supporter of the **Starship Foundation**, with a donation from every unit sold going to this foundation.

Your kids will love them and they are perfect for your workplace Secret Santa! Each bucket is \$17 each (contains approx. 50 cookies or 12 brownies) and since Christmas is just around the corner, you will thank yourself for being so organised!

To order, or if you have any questions just contact : [charithmar@yahoo.com](mailto:charithmar@yahoo.com)

We will get you sorted and ready for Christmas!
