Principal's Message

“Marist girls become Marist women who have a sense of purpose and are successful in their own right.”

Marist College, founded in 1928 by the Marist Sisters, is a Catholic Secondary School for girls situated in Mt Albert, Auckland. As a faith-based school, we deliver a curriculum that is built on core values that challenge our young women to live and act as Mary the Mother of Jesus would in today's world.

We currently have a roll of 750 students who strive for excellence in all aspects of their school life. Excellent teachers, staff, school community and learning facilities combined with strong academic success, pastoral care systems, and vast cultural and sporting opportunities ensure that our students gain a full and holistic education.

Marist women will graduate as well qualified, faith-driven, competitive, nurturing, community leaders who have a sense of purpose and a sense of belonging.

We do this by

- ✓ Putting our faith into action by unpacking and living the Gospel Values in our everyday lives and providing opportunities for service leadership.
- ✓ Working towards 100% of our young women gaining University Entrance.
- ✓ Providing co-curricular and extra-curricular opportunities that provide a holistic education and develop the relationship skills needed to participate in a full and happy life.
